

Avinash K S

Data Scientist and Analyst

Profile

A dedicated and passionate Data science and analytics student who thrives to improve skills to apply in the real world.

I have a strong foundation in programming languages such as C, Java and skillful in data visualization tools like Tableau and Excel Spreadsheet.

I follow the latest trends that come across to be more knowledgeable about the field.

Education

Bachelor of Science in Data Science and Analytics, Sree Saraswathi Thyagaraja College, Coimbatore

July 2024 — May 2027

Achievements

My dedication and interest to the field are reflected through achievements :

Second Prize in National Level Technical Symposium in Paper Presentation

Second Prize in Hardware and Software Expo

Extra-curricular activities

Deloitte Australia Data Analytics Job Simulation on Forage

May 2025

- Completed a Deloitte job simulation involving data analysis and forensic technology
- Created a data dashboard using Tableau
- Used Excel to classify data and draw business conclusions
